

## BARON DE LEY TEMPRANILLO

This 100% Tempranillo is an excellent example of the emerging "Rioja Mediterranea". The climate in eastern Rioja, with its drier character and abundant sun exposure, implies better maturations which result in more "mediterranean" wines, delivering more power and alcoholic degree and good volume in the mouth with soft and round tannins. 6 months in American Oak.

## BARON DE LEY RIOJA RESERVA

Mainly made using Tempranillo grapes grown in our Mendavia vineyards. 20 months ageing in new American-oak casks and a further 24 months in the bottle. The nose has a powerful fruity character mingling with reminders of its noble ageing, traces of coconut, toffee and attractive wild herb nuances. After a powerful attack the sensation of soft, supple volume gradually extends across the palate to end with a long finish.
