

MARGARETT'S  
VINEYARD

Margarett Romer Parducci is the inspiration for this collection of wines. A sheep rancher for 4 decades, she managed to carve out her own identity as she supported her husband, John Parducci's, life-long winemaking career. A blend of Zinfandel, Petite Sirah, and Syrah, these three varietals have come together to create a beautiful wine that have complex flavors of black cherry, white pepper, baking spices and mocha.
