

Pinot Grigio delle Venezie

In view of the Pasquas' passion for viticulture, they could not do without a selection of Pinot Grigio in their Collections range. On the nose, it offers floral sensations that recall the aroma of acacia blossom, with hints of pears as well. Its flavour is intense and very well-balanced, with fruity notes of apples and pears. Fresh and well balanced in the mouth.

Sangiovese Puglia

In Puglia, where Sangiovese expresses distinctive characteristics compared to other Italian Regions, thanks to the strength of the sunlight and the high temperatures during the ripening period. The aromas on the nose are of rich, ripe fruit. This red wine is characterized by soft tannins and notes of red fruits and blackberries on the palate; it is velvety and long on the finish.
