

**VAENI**  
NAOUSSA

**Xinomavro**  
Noble Red of Naoussa

Naoussa, located in the heart of Macedonia on the eastern slopes of Mount Vermion. Xinomavro, the sole variety permitted under the Naoussa appellation, produces well-structured, full-bodied, long-lived red wines noted for their savory character (spices, ripe tomatoes, black olives, violets, wild strawberries, overlaid by notes of dark chocolate and leather) as well as the high acidity and tannic structure. Aged in French oak barrels for one year.
