CABERNET SAUVIGNON  
\*  
MARGARITA VINEYARD  
\*  
PASO ROBLES

This effort, from a cooler spot on limestone soils at the very southern edge of Paso Robles, is a reminder that Cabernet can still speak softly. A project of Chris Brockway of Broc Cellars, this noble red gets native yeast fermentation and sees little oak. *Energetic, single vineyard with that outperforms for the price!*

CHARDONNAY  
\*  
JAMES BERRY VINEYARD  
\*  
EDNA VALLEY

Sourced from Paso Roble's famous James Berry Vineyard. Balanced richness along with a nice note of minerality provided by the limestone soils of the vineyard. Partial malolactic preserves the brighter aspects of the Chardonnay fruit while contributing a rich, but not heavy texture.

*Winemaker Chris Brockway's perfectly crafted Chardonnay from 30 year old vineyard . . . .*

- Hand - picked.
- Only native yeasts
- Minimal sulphur
- No added acid.
- Stainless steel with only a touch of oak.
- Natural malolactic.
- Unfined
- Unfiltered

CHARDONNAY
