## Viognier

OREGON

Aromatics evolve from the glass with essences of kumquat, peaches, and apricot, and plantain. The crisp acidity gives this wine great structure while the fruit characteristics coat the palate to make this wine desirable on its own or with spicy foods.

## Estate Pinot Gris

WILLAMETTE VALLEY, OREGON

This Pinot Gris is perfectly balanced, fresh, and crisp. It shows aromas of straw, meyer lemon, graham, apple, and spice. It was fermented for two months in a 1600-gallon untoasted oak barrel, creating a rich texture that is harmoniously balanced by the bright acidity.
